

### MARCH 2020

Dates to Remember:

- **Spring Break, March 23-27 (Camp Sign up in the lobby)**
- **Snack shack Popcorn sale Friday March 6th**
- **PJ day Monday March 9th (school wide)**
- **Kindergarten field trip to Birds of Prey Wednesday March 11th 9:30-12:00**
- **Irish Dancers Performance 9:30 am (School wide) March 12th**

### *Geography*

This month we will be learning about Australia! There are a lot of interesting facts about Australia

and many unique animals to learn about. We are always interested to hear from our families and their travels. If you have an interesting fact or item that you would like to share about Australia, please let one of us know.

### *Cultural*

We will be celebrating St. Patrick's Day on March 12th with a school wide performance from the Irish Dancers. This is a beloved Montessori Academy tradition where we encourage all of our students to "wear green"! The children will learn the Irish Jig and watch dances from that region.

### *Science*

With spring around the corner, our studies are moving outdoors. Our young entomologists this month are identifying parts of a butterfly and learning their unique life cycle. Look to next month when we focus on the lifecycle of lady bugs and watch them grow in the classroom.

### *Arts*

Art this month will be themed around rainbows and St. Patrick's day. We will also be learning about rainbows. How are they formed? What colors are in the rainbow? If you have a prism at home, that is a great way to bring the conversation home!

The Kindergarten students this month are working on a special projects. Miss Theresa, from The Art of the Matter, will be giving a lesson on candle making. The students will be selling their creations in the April Farmer's Market.
