

MARCH NEWSLETTER ROOM 7

A note to Parents:

Thank you for all of the beautiful Valentines and goodies received from you and your children! We had a lot of love around the room!

Unit Study: SOLAR SYSTEM

This month we will focus on planet Earth, the Moon, the space shuttle and what an astronaut wears when traveling into space.

Science: building a volcano (kit)

Language: 3-part cards (space shuttle & solar system puzzles)

Kindergartners: focus is sentence structure, capitalization, punctuation and spelling. (writing group)

Miss Carrie & Miss Krystle
