

SEPTEMBER NEWSLETTER ROOM 1

Dear Families,

We are so excited to see our returning families as well as some new families. We have a very fun first month planned as we get back into the classroom. Our areas of study for the month are earth (layers, parts of, and continents), parts of a tree, life cycle of an apple, and the color wheel.

Our school day begins at 9:00 am with an all class group time. Please arrive between 8:45 and 8:55. Being on time will give your child the opportunity to change their shoes, wash their hands, and put their things away before we start group.

This year will be a little different as you can imagine. Your child will need to bring a small snack along with their lunch as we will not be having a community snack available. They will also need to bring a mask to wear at school when social distancing is not an option (masks will not be worn during lunch, recess or nap).

If your child is staying with us for the full day and is not a Kindergartener, they will need to bring bedding. Bedding should easily fit in the bedding bag provided by the school. A crib sheet and small blanket are best. Remember, they will also be packing away their own bedding. The less they have to pack away, the easier it will be for them.

During these first few weeks we will be going over our classroom rules and working on building our community. We will work on getting into a routine and giving a lot of lessons on grace and courtesy.

Class needs: fresh cut flowers and food coloring

Cheers! Ms Laura and Ms Kendra

IMPORTANT CLASSROOM REMINDERS

Please bring inside shoes. Slides, flats, slippers or crocs work really well. The children will be changing their own shoes so please ensure that your child can easily put on whatever shoes they choose to bring. All shoes will be stored on the shoe shelf, not in cubbies.
