

## SEPTEMBER NEWSLETTER E1

Dear Families,

Welcome back for an exciting new school year! We will start the school year by getting to know each other and welcoming quite a few new students! We will continue to stay as socially distanced as possible in our day to day activities, with as much time to enjoy the outdoor environment as possible. We will be reviewing the topics we finished out last year with, and quickly diving into new and exciting materials.

Ms. Anne will continue to provide her knowledge and experience as our reading specialist with both Elementary 1 classrooms. We will also soon be welcoming a new assistant to our elementary team, Ms. Abigail.

1. Drop-off will continue to be through the elementary side gate (while weather permits)- 8:15-8:30. Parents may walk their child down to their classroom.
2. While masks are optional, it is highly recommended that students still wear them as the spread of germs, specifically COVID, is still a major concern. Our goal is to keep everyone healthy and it's a great opportunity for us to be conscientious community members, especially while we are in close proximity indoors.
3. Please make sure your child brings indoor shoes.
4. We cannot share food among students (any birthday snacks must be individually wrapped from the store).
5. Recess times will be as follows: room 7-11:30, room 8-12:30, and room 9- 1:00, classrooms will not be combining.

Please email with any further questions!
