

## SEPTEMBER NEWSLETTER ROOM 3

Dear Families,

I am excited to see all of our new and returning friends to the class! The start of the school year is always a chaotic time due to the fact that everyone is trying to get back to their normal routines after summer. Please remember to be patient and to plan for extra time in the morning so your child does not feel rushed to get to school.

Our work period begins at 9:00 am. I will start the morning group promptly at this time. Please have your child to school on time so they can get the most of the program.

During the first few weeks we will concentrate on building our community by learning how to be respectful, how to work together and how to complete tasks. We will also focus on our daily routines by lots of practice and patience.

Our curriculum studies this month will focus on the Practical Life materials, shapes, rhyming, and numbers. Our science studies will focus on the Solar System, Earth (land, air, water), the 5 senses, our body and healthy eating. Please take note of the classrooms monthly learning objectives on the parent board.

Please feel free to contact me with any questions or concerns via email at [erin@montessoriacademyidaho.com](mailto:erin@montessoriacademyidaho.com)

Looking forward to a great year!
