

September Newsletter Room 4

Welcome room 4 families!

Welcome to school! There is an exciting year awaiting, designed to promote and enhance your child's growth and development. This year promises to be one filled with discovery and joy as your child works and plays in an environment that is warm, safe and challenging.

The daily activities are carefully planned to encourage independence, self-confidence and group cooperation through both large and small groups and one on one lessons.

Our focus this year will be Social-Emotional learning along with character traits. Social-emotional learning refers to the development of self-awareness, self-control, self-regulation, social skills, and responsible decision-making, all which are essential for school and life success.

CONCEPT 1. Self-Awareness: Children will develop a sense of personal identity as they recognize the characteristics that make them unique. Students will start identifying FEELINGS in themselves and others.
