SEPTEMBER NEWSLETTER ROOM 9

Dear Families,

Welcome back! As you all probably know our classroom will have some big changes this upcoming school year. We are working together to make the transition as smooth as possible for you and your children. As you all know communication is the key to success. It will be very important for a smooth transition to make sure both Nicole and I are part of all parent/teacher communication.

Regardless of these exciting changes, we will be starting the year as always with excitement and learning! All grades will be starting off with refreshing math concepts, establishing routines, and discussing the coming of the universe. We will additionally begin book club the second week of school along with homework.

Nicole and I will be hosting a Back-to-School night on September 20th at 5:30pm via Zoom. Please keep an eye out for an email containing that Zoom invite the week of September 13th. During this time we will discuss what you can expect from us, what your child's day looks like, and the ways in which you can best support them.

We have some spirit days planned this month as well! I hope you all enjoyed your summer and we can't wait to have an amazing 2021-22 school year.
