

Elementary 1 OCTOBER NEWSLETTER

MONTESSORI ACADEMY

Dear Families,

Our year is off to a great start! Students are really getting focused and working their way through the classroom. We've been focusing on building communities and getting to know each other. We have begun shortwork, where for half an hour, students work on phonics, cursive practice and math facts.

QuotesPics.net

We are going to put together a virtual Wax Museum event on the 27th, 28th and 29th of October. See below for zoom ID's. We will travel through history learning about historical figures that have made a positive impact in the world. We hope to see everyone there via Zoom. Times will be sent out via email. The written assignment will be done at school, as well as the poster board. They may choose to dress up as their character and this will replace dressing up in Halloween costumes.

This year we are using Seesaw to share and communicate with families. Your student will be sending home in their green folder a QR CODE that will help you log in to see what they are working on.

Sign-up for Parent Teacher Conferences will go out later this month via email. We can't wait to meet with you and talk about your child. As always, we are honored to be partnered with each and every one of you to help foster happy, capable, confident humans. Thank you for all you do as a parent!

IMPORTANT ALL SCHOOL DATES AND REMINDERS

(For more information see school wide newsletter)
