

October Newsletter Room 2

Dear Families,

As the weather starts to become cooler in the mornings, please send a jacket with your child for our morning outside time. This month we will be studying about the different biomes, what mammals are, the different parts of our bodies and more. At the end of the month we will be painting pumpkins instead of carving them. Please send your child to school with a small pumpkin that they can carry themselves into class and a cardboard box that the pumpkin can fit into for an art project. Your child will need the pumpkins and boxes by the 28th of October. On October 30th your child may wear their Halloween costume to school, over their school clothes (no masks, no face paint, or no weapons). At 9:15am we will have a parade around the parking lot in our costumes. If you have time please come by and watch the children! On October 5th at 6pm, I will be hosting a virtual back to school night. This will allow you to get a glimpse at what goes on in our classroom and the material. You will also be able to ask any questions about our classroom. I will be sending out a zoom link for this. On October 22-23 there will be no school for Parent Teacher conferences. I will be sending out information soon regarding times for you to sign up for.

Thanks,
Ms. Ashley
