

OCTOBER NEWSLETTER ROOM 1

Dear Families,

Happy October everyone! This month we are beginning to study of the various biomes including oceans. We will start our units on leaves, pumpkins, and mammals. In addition, we will take a look at the life and work of Claude Monet.

We will be celebrating Halloween on Friday the 30th this year. Your child may dress up in costume for school. We ask that you not wear face paint or masks, and not bring weapons of any kind for this event. Please have your child wear their regular school clothes underneath for lunch and recess. We wouldn't want to ruin any costumes before the big night. Thank you.

Parent Teacher conferences are October 22nd and 23rd. Conferences this year will be via Zoom. Sign ups will be coming out soon. I look forward to getting to see all of you.

Sincerely,

Ms. Laura

IMPORTANT CLASSROOM REMINDERS

As the weather gets colder, please check your child's extra clothes bag to ensure they have appropriate clothes for outside play.

Classroom needs: fresh cut flowers for practical life
