<i>Please keep toys, jewelry, backpacks safe at home.</i>	<i>Please arrive on time and develop a drop off routine.</i>	Foster independence by allowing your child to help pack their lunch and carry their items from the car.	<i>Create opportunities for your child to help with tasks around the house.</i>
<u>Topics This Month</u>			
<ul style="list-style-type: none"> ▪ Earth/Layers of the Earth/Seven Continents ▪ Land, Air, Water ▪ Parts of : Trees and Apples ▪ Beginning Letter Sounds ▪ Name Writing/Tracing, Name Recognition 			

We will begin this year like every other year, focusing on Grace and Courtesy in our community. Lessons will include how to properly care for their mask, social distancing protocols, best practice hand washing, care of materials, table manners and cleaning maintenance afterwards, how to fold and store their work rug (in their cubby), how to greet friends, and how to give compliments.

As we have safety measures in place that don't allow you to enter the building, we encourage you to utilize the LINKS 2 Learning app to review the pictures we send and encourage conversations with your child about them. Some great conversation starters are:

- I see that you worked on _____ today! What was your favorite part your work?
- Show them the picture and say, "Would you be willing to tell me what you were doing with this work? I'm so curious to see how to do it!"
- What was your favorite work you did today?
- Who did you seat nearby at lunch?

Want to get to know your Room 6 Community?

Please send me an email indicating you would like to be on the Classroom Contact List and it will be available to all who choose to participate.

We look forward to an amazing year!
