

## NOVEMBER NEWSLETTER Room 7

My Beautiful Families,

“Everyone must take time to sit still and watch the leaves turn.” -Elizabeth Lawrence

I hope you are all enjoying the beautiful transition of the seasons. I feel like this season I can see and feel fall even more intensely than I have ever before. The colors in the Boise area are so vivid. With warm clothes, an evening walk with the family this season can be a great time to catch up and notice the birds flying south and the leaves letting go for the winter time. It is also a time to stop and be thankful. I just want to take the time and thank you all for choosing to send your child to Montessori Academy. I want to especially thank you for showing up for your child and being present with them everyday. They are so blessed to have amazing parents like you.

In the classroom, our cultural studies are moving from the Universe to our Earth. It's layers and landforms. We are finishing up with the study of our solar system, and then we are going to into the Formation of our Earth.

As our community service for the month we will be cleaning up our playground, collecting leaves to use for compost, putting our garden to sleep and finishing some projects we started in the spring. Students can bring labeled gloves and rakes. We will be doing this during our P.E. time on Friday, November 13th.

Looking forward to enjoying this holiday season with you! We are going to be having a Stone Soup play put on by Elementary 2 on zoom and a classroom Stone Soup celebration on November 20th. Details coming soon.

Just let me know if you want to volunteer for November or want the classroom wishlist sent to you.

### IMPORTANT CLASSROOM DATES AND REMINDERS
