

NOVEMBER NEWSLETTER ROOM 3

I would like to thank everyone for taking the time to talk to me over Zoom during parent/teacher conferences. I know it was a different experience but it was nice to talk about your children and lives.

During November we will learn about North America with a greater focus on the United States and Idaho. We will focus on the biomes, animals and plants that make up our beautiful continent.

We will also continue our studies on leaves. The children have already learned about the parts of the leaf as well as how they differ from tree to tree. Now our focus will be on the different shapes and making their own identification books.

As we move into the holiday season we will start to talk about being thankful, peacefulness and the idea of giving. Please remember that when you are stressful your children can feel it. So take the time to slow down and enjoy these moments with your child.

Lastly, please ensure that your child has appropriate gear to go outside. The mornings are colder now but soon all recess times will be effected by cooler temperatures. Warm jackets, hats and even gloves will help your child enjoy their outside time. Remember to label everything!

IMPORTANT CLASSROOM DATES AND REMINDERS

On **Friday, November 20th** we will have a class **Thanksgiving Lunch**. I will make chicken noodle soup in honor of the folk story *Stone Soup*. Please keep a look out for a small signup sheet for packaged goods.

The children will also watch a recording of a play the 4th, 5th and 6th grades.
