

# November Newsletter - Room 10

Dear Families,

Thank you for your time last week. I appreciate our conversations, learning even more about your children and how I can continue to help them grow.

I am thankful for my job and all my students. Thank you for trusting in me with your children. I am grateful and blessed to get to do what I love to do everyday.

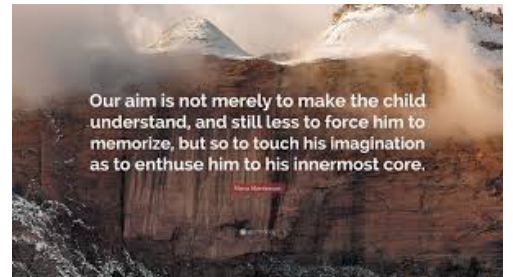

Our geography unit is North America. We will discuss the countries that make up our continent and that the United States is where we live. For our science unit we will study the many types of leaves and the students will learn the parts of a leaf. We will also have fun activities using leaves this month.

For our peace curriculum we will discuss how to keep our world peaceful. We will read "Caring for our World."

This month we will also talk about the Thanksgiving holiday and why we celebrate it. We will focus on the history of the celebration of the harvests each year and sharing it with others. We will talk about being thankful for what we have and how grateful we can feel to be able to give to others. We will have a special "Stone Soup" lunch together. Things will look different this year. I will send out details soon.

I hope all of you find some time this month to relax and spend time with your friends and family. Have a wonderful Thanksgiving Day, Cheers!

~ Ms. Judy

## IMPORTANT CLASSROOM DATES AND REMINDERS

Friday Nov. 20th, Stone Soup Classroom Luncheon 11:45

Your child will continue to need clean masks daily and extra masks to change when they sneeze and/or have runny noses. If they are sent home dirty, please return cleaned the next day. Thank you.

The cold mornings are here, please remind your child to bring a jacket to school for cold mornings. They will not be able to stay inside during recess or on our walks.

## IMPORTANT ALL SCHOOL DATES AND REMINDERS

Wednesday Nov. 11th, **School Closed** - Veteran's Day

November 25th, 26th, 27th, **School Closed** - Thanksgiving Break
