

NOVEMBER NEWSLETTER ROOM 4

Dear Families,

My favorite time of the year, Autumn, with all its colorful landscapes, bountiful harvests and, cool crisp air. In November I like to celebrate the harvest with the class making stone soup. This year is a bit different due to the pandemic. I will be making the stone soup and bringing it in for lunch on November 20th. I will put out a list of items you can help with. If you do not want your child to eat the soup please let me know.

Mindset Focus

The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice. —Brian Herbert

The brain can grow and change in incredible ways when pushed. The absence of practice and challenge will "fix" brain growth, while constant practice and challenge will strengthen brain growth.

IMPORTANT CLASSROOM DATES AND REMINDERS

Our harvest celebration is on November 20th — we are making Stone Soup for lunch!
