

## NOVEMBER 2020 NEWSLETTER

It's getting cold out there! Please be sure to dress your child appropriately for all kinds of weather as we go outside everyday and PLEASE label EVERYTHING you can. I am happy to label items you may have missed. Please let me know if you do NOT want your child's clothing

tags labeled with a sharpie.

It was so great to getting to talk with all of you during our Parent/teacher conferences.

This month we will explore the changes going on around us as temperatures drop and leaves continue to fall. It is also darker in the morning and soon we will be changing the clocks. We will also begin to explore North America, what that means and how it relates to us! As we continue to explore to concept of art and ask "what is art to you" we will explore, in addition to the classics, performance art, mosaic and sculpture. We are also adding an easel to our classroom this month for individual painting!

### IMPORTANT CLASSROOM DATES AND REMINDERS

At the end of this month we will be sending out progress reports. These reports will show where your child is and where they are going as some of the material has not yet been covered.
