

## OCTOBER NEWSLETTER ROOM 7

Hello Friends!

We are making friends here in room 7 and would like to send home a class list with a name & photo of each child. If you would NOT like your child to be included in this roster please email [sarah.frazeem@montessoriacademyidaho.com](mailto:sarah.frazeem@montessoriacademyidaho.com)

This roster will only be sent home to enrolled students in our classroom. We hope this will help you and your child become familiar with our classroom community.

Well, Autumn is here! Be sure to send along a jacket for the cool October mornings. In September we learned about our place in the universe. Now we will take a closer look at the earth as we explore the Biomes on our planet, leaves, pumpkins, and the human body, beginning with the skeleton.

We met Mr. Vincent Van Gogh, his decision to become an artist and his love of bright colors. We will now be introduced to families of the orchestra and the composer Antonio Vivaldi.
