

DECEMBER NEWSLETTER ROOM 3

Dear Families,

As we continue through the holiday season we will learn about how different cultures around the world celebrate. We will also continue to talk about the importance of giving and being thankful. As we all know it can be stressful this time of year. Please remember your children can feel your stress, so take the time to slow down and enjoy these moments with your child.

We will finish up our geography studies on the United States and Idaho. Then we will transition into the continent of Europe. Again, we will learn about the different biomes, animals and cultures that inhabit this land.

Unfortunately, due to these unprecedented times our typical holiday celebration will look different this year. The children will learn a few holiday songs and I will video tape them singing and send the videos to you via tadpoles.

Our last day of school is on Friday, December 18th. This is also a half day, which means that the school closes at 12:30pm. I will make a pasta feast for lunch that day. Please keep an eye out for a sign up email from Ms. Randi.

I hope you all have a wonderful holiday season! ~ Ms. Erin

IMPORTANT CLASSROOM DATES AND REMINDERS

With the cold winter weather approaching please ensure that your child is dressed appropriately for all recess times.

It is helpful to label all their belongings (jackets, snow pants, hats, mittens, boots) with their names.

Snow pants are only needed when there is snow on the ground.
