

MONTESSORI ACADEMY

JANUARY 2021 NEWSLETTER

HAPPY NEW YEAR! I hope you all enjoyed your break and holidays. In addition to continued growth in all areas of our Montessori classroom, this month we will also focus on COLD! We will explore and learn about the ice in our freezers, the

beauty and symmetry of snowflakes and the glaciers of Antarctica.

For this month's culture unit we will look at the landscape art of Simon Beck who creates works of art using snowshoe prints similar to the example above. Students will have the opportunity to create their own art inspired by Beck's work. Hopefully we will get some snow to top this month off.

We are looking forward to sharing a happy and healthy 2021 with you and your children.

Miss Debbie & Miss Julie
