

# DECEMBER 2020 NEWS

Hello Room 7 Families;

Here comes winter!! Please be sure that your child has clothing to match the weather! Don't forget mittens! We go outside for play every day.

This month we will finish our study of the composer Antonio Vivaldi and begin a study of a 20th century composer, John Tesh. This Composer/Performer showcased many talented musicians with new ways of playing traditional instruments.

In addition we will once again explore Holiday Traditions around the world and learn about how children in other Countries celebrate this Holiday Season. Do you have a special holiday tradition that you would like to share with our class? If you do please email Miss Christine.

Our cultural studies will also focus on the continent of Europe and learn about the Temperate Forest. We have spent a lot of time studying the continent of North America, its animals, their tracks, the countries, flags and we will finish up by talking about the biomes found on the continent.

We are missing all of our parents this time of year as we typically host a community event. However, this year we are still going to have a classroom celebration and the kids are busily working on learning some new songs and poems to recite. We will be sending you all a recorded version of the performance as a way to join in on the fun!

*Miss Christine & Miss Ashley*
