

## January Newsletter Room 7

My Dear Families,  
I hope you had a wonderful, relaxing break. It was a great time to reset after the hustle and bustle of winter break. I hope that everyone was able to connect with their loved ones.

January is a great time for teachers and students. A lot is coming up. In class, we will start one of Montessori's coolest lessons: Time Line of Life. We will learn about Geologic time and the living beings that have inhabited the Earth. Yay for fun-filled learning and activities at Montessori Academy!

Elementary is in the process of reconfiguring our idea of Friday assemblies. The purpose is connection between classrooms and we're finding that is a challenge over zoom. We are going to try out some alternative ideas and we will make sure we find ways parents are able to connect with the classrooms as well. Stay tuned!

### IMPORTANT CLASSROOM DATES AND REMINDERS

Kendyl Scott's Birthday- Jan. 26th

Please remember, as the weather changes to make sure your child has proper gear. If there is snow on the ground students need snow pants, snow boots, jackets, hats and gloves.
