

## January Newsletter Room 2

Dear Families,

Welcome 2021! I hope everyone had a great Holiday break. Thank you to everyone for making our Christmas performance and community lunch special in this chaotic time. The children had so much fun practicing and performing for everyone. This month we will be learning all about Antarctica, penguins and snow. With it beginning to snow please make sure your child has snow pants, boots, a hat and gloves. We still go outside in the snow. We are very excited to be welcoming Dorothy, Chloe, Lux and Aiden into our classroom. Everyone is very excited to meet them. I am wanting to do a community lunch once a month just as something fun for the children. I will have more details to come.

Thanks,  
Ms. Ashley
