

FEBRUARY NEWSLETTER ROOM 7

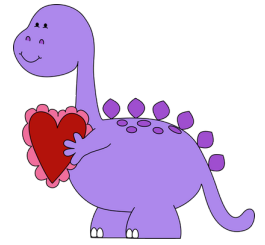

My Sweet Families,

My favorite month of the year is here! This is the month of friendship, kindness, and love. Please remember to hug your children and spend extra quality time with the individual they are.

I am doing this in the classroom with all the students. I am noticing how much they are growing up and changing. It makes my heart warm.

In class, we are working on the Clock of Eons in Cultural. The hierarchy of numbers, writing, and saying big numbers. We are talking about animal taxonomy, putting animals in categories such as kingdom and phylum. We are studying vertebrates, invertebrates, and the six main kingdoms of life. We are all working on expository writing in writing group with informative texts. We are learning cursive, working on slowing down and making their work look polished. A lot is going on in Room 7, as we love to learn at Montessori Academy!

We will be having a Valentine's Celebration on the 11th, where they can bring a decorated box, wear pajamas, and bring a small flashlight for quiet reading, teaching them the art of being still.
