

MARCH NEWSLETTER ROOM 7

Dear Families,

Who is ready for spring? I am ready for the excitement of flowers blooming and animals waking up from the cold and the still of winter.

We will be discussing simple machines in class and students will have the opportunity to create a Leprechaun trap at home using their knowledge of simple machines to help them trap a Leprechaun. Students can bring the traps Friday, March 15 and share their ingenuity with the class or they can bring in supplies and work on it in class.

I am excited for a fun-filled spring with your students, learning about everything from Timeline of Life in Cultural to subjects and participles in Grammar. We are reading with our students all month, as it is National Literacy Month. Please have your child bring their favorite book all month, and wear PJ's with a flashlight on March 5.

IMPORTANT CLASSROOM DATES

  **Happy Birthday to:** 

Henry-March 25

So excited to announce Ms. Anne, our reading specialist, will be back on campus- March 8!
