

February's Newsletter Room 2

Dear Families,

Can't believe that it is already February. This school year is just flying by. This month we will be studying the continent of Asia. We will also be learning all about reptiles. The teachers will be doing training on February 12th, so the school will be closed that day and we will be closed on February 15th for presidents day. I hope you all have a very good 4 day weekend. As for a Valentines day celebration, we will be having it on February 11th. The children can bring their valentines in and we will be passing them out in class. Please send them with only your child's name on them. It makes it easier for the children to pass them out. Happy Valentines Day!

Thanks,
Ms. Ashley
