

March Newsletter Room 2

Dear Families,

Welcome to March! This month we may see snow, we may see warmer days; so please make sure your child has the appropriate clothes. This month we will be studying amphibians and the continent South America. We will also be talking about the different seasons and different types of weather. We are going to be learning about colors and color mixing. St. Patrick's day is on March 17th and I thought it would be fun if as a class we all wore green. Our community lunch will be on the 19th, which is a half day for the whole school. Pick up will be at 12:30 after lunch. The children are really enjoying our community lunches. I have them vote on what they want for lunch that day. They help plan it all. Spring Break will be March 22-26th. Randi will have more information regarding gap camp sign up for that week. Please don't forget to set your clocks forward on March 14th. Thank you for all of your patience and understanding so far this year.

Thanks,
Ms. Ashley

IMPORTANT
