

MARCH NEWSLETTER ROOM 3

With Spring fast approaching, this month we will start studying the seasons, their weather and months.

This month we will be traveling to the continent of South America. We will learn about the countries and their flags. As well as, explore the biomes and their unique animals.

Our geography lessons this month will focus on the land forms peninsula and gulf. We will work with the forms and search for these landforms on maps.

In our animal classification studies we will focus on the amphibian family. We will read books and look at pictures.

This month's book is called, *Invisible Scribble* by Diane Alber. We will talk about what it means to be invisible and what self-esteem is. This book also talks about kindness.
