

MARCH NEWSLETTER ROOM 8

Dear Families,

Who is ready for spring? I am ready for the excitement of flowers blooming and animals waking up from the cold and still winter.

We will be discussing simple machines in class and students will have the opportunity to create a Leprechaun trap for St. Patrick's Day at home using their knowledge of simple machines to help them trap a Leprechaun. Students can bring the traps Monday, March 15 and share their ingenuity with the class.

I am excited for a fun-filled spring with your students, learning about everything from Timeline of Life in Cultural to subjects and participles in Grammar.

IMPORTANT CLASSROOM DATES AND REMINDERS

 **Happy Birthday to:** 

Lila-March 5th
