

MONTESSORI ACADEMY

FEBRUARY 2021 NEWSLETTER

February brings Valentines Day! Children are welcome to bring in valentines for their classmates. To ensure an easy and successful experience for your child, please do not write individual student names in the TO: space. Leave it blank or write FRIEND. This way the children are able to simply place a valentine in each friend's bag. We currently have 19 students. This is a great time for your child to work on their writing skills.

Please leave CANDY at home.

This month we will explore the continent of Asia. We will also try to "capture light" as Claude Monet did with his paintings. Some of the students have started cubing numbers! Some will continue cubing, all will continue to be inspired to learn through our Montessori materials just as children have been doing for over 100 years!!!

IMPORTANT CLASSROOM DATES AND REMINDERS
