

## FEBRUARY NEWSLETTER ROOM 7

Hello Room 4 Friends!

We are beginning a study on Vertebrates. We will learn the names of the five classes and focus on the qualities of each group.

We will also embark on a new journey to our next continent, Asia, just in time for the Chinese New Year. We will study the biomes, animals and culture of the largest continent.

Our Composer for the month of February will be Wolfgang Amadeus Mozart. A fun fact: His father, Leopold said that Wolfgang hated the trumpet and would even turn pale at the sound of it!

Throughout the month of February we will practice being good friends and talk about how we can show kindness toward others.

*Miss Christine & Miss Ashly*
