

# May Newsletter - Room10

Dear Families,

Although this school year has certainly been different, we have had a great year. We have one more month of learning and having lots of fun!

We will end our continent studies with Australia. We will also learn about insects and flowers.

Our peace curriculum will continue with discussing and practicing how to work out conflicts through peaceful problem solving techniques. We will read our second book “Big Buddy.”

The students will have fun weighing with a scale, sink and float, and electronic simple circuits. We will continue our walks every Tuesday and enjoy lots of outside time.

I hope everyone has a wonderful summer!

~ Ms. Judy

## IMPORTANT CLASSROOM DATES AND REMINDERS

Birthdays - Isla

We will celebrate summer birthdays too - Austyn and Harper (June)

Although sandals help keep our feet cool this time of year, the children need closed toed shoes for outside recess and walks.

## IMPORTANT ALL SCHOOL DATES AND REMINDERS

May 28th - Last day of school - **Early Release 12:30**
