We still need RAIN BOOTS for muddy spring days, please!

### *Some Spring Songs that we sing:*

#### The Robin Song (Itsy Bitsy Spider Tune)

*The robin in the pine tree sings a merry tune. The crocus on the hillside, tulips coming soon.*

*The robin sings of sunshine, winter time is past. It's time to build a nest, Spring is here at last.*

#### Spring Flowers (Twinkle, Twinkle Tune)

*Spring flowers, spring flowers all around, growing up from the ground.*

*Daffodils, tulips, and hyacinths, too. Yellow, orange, red, pink, purple and blue.*

*Spring flowers, spring flowers all around, growing up from the ground.*

#### The Popcorn Song

*I looked out the window and what did I see, Popcorn popping on the crab-apple tree.*

*Spring has brought us such a nice surprise, Popcorn popping right before my eyes.*

*I could take a handful and make a treat, A popcorn treat that would smell so sweet.*

*It isn't really so, but it seemed to be, Popcorn popping on the crab-apple tree.*
