Geography/Cultures

We will be studying Africa this month. We have puzzles, three part cards, and pictures that we will be using in our studies to help identify the continent geographically and learn about the people and culture. We will also explore the flags and animals who inhabit Africa.

Arts

In music, this month, we will be learning about the Beatles.

Science

We will be talking about the many different parts of a flower and of a tree. With Earth Day approaching on April 22nd, we will also discuss different ways to help out our environment and how we can make it a better and cleaner place.

A Few Notes

Well, we're already to April; it goes by so fast! Keep an eye out for parent teacher conference sign ups. They will be the 22nd and 23rd. Thanks again for all you do to keep our classroom running smoothly.
