

MAY NEWSLETTER ROOM 1

Dear Room 1 Parents:

We are continuing our school year by introducing new work around our classroom!

Students will be invited to tell a story in proper order with Sequencing Work, will continue to grow their letter recognition with Sandpaper Letters, and will help out around the class with new practical life works, including “painting” our side yard fence and dish washing after meal times to name a few.

Another Spring Song that we sing: Spring Flowers (Twinkle, Twinkle tune)

Spring flowers, Spring flowers all around, growing up from the ground.

Daffodils, Tulips and Hyacinths, too. Yellow, orange, red, pink, purple and blue.

Spring flowers, Spring flowers all around, growing up from the ground.

If your child wants to wear open-toed sandals in the classroom please bring tennis shoes/closed-toed shoes for the playground. You can leave a pair of shoes at school in your child's cubby and we will be happy to help protect all of the toes!
