Science

To get things started this month, we will be talking about the life cycle of a butterfly. We will be using three part cards, puzzles, and life cycle cards to look at the butterfly's metamorphosis. We will also be taking a closer look at Australia, learning about the cultural and animals that live down under.

A Few Notes

It is getting warmer outside, A light jacket may be needed for this month. You are welcome to leave one here if you choose.

As always, thank you for making our classroom such a great place to be!
