

JUNE NEWSLETTER ROOM 3

Welcome June!

We have had such a wonderful year! I want to thank all of the parents for all the support and hard work while we navigated through 2020 and 2021 school year. I'm very proud of your children and our Room 3 community!

This month we will practice a Progressive Muscle Relaxation Exercise! All year the children have practiced multiple breathing exercises and calm down strategies. Practicing and modeling these strategies really helps the child learn emotional regulation while empathizing with the child and setting limits.

It has been exciting watching your children learn and grow to their potential in a Montessori Environment! For those that are graduating from Kindergarten, I know you will do great in first grade! For those of you who are returning in the fall, enjoy your summer and we'll see you for the new school year!
