

OCTOBER NEWSLETTER ROOM 3

Dear Families,

The children are settling into the classroom routines and are focusing on their works nicely. As a class we are working on what it means to be kind, respectful, and peaceful with each other.

As we wrap up our studies on the Solar System we will shift our focus to our home planet Earth. We will learn about the core, the different biomes (Deserts, Grasslands, Tropical Forests, Temperate Forests, Oceans, Mountains, Wetlands, and Polar Regions) that make up the seven continents and the people, animals, and plants that are part of these biomes. We will also learn the Continent song!

In honor of the new fall season, we will study leaves and pumpkins. We will explore these topics through books, pictures, art, and other hands on activities. We will learn about the parts of a leaf and all the different types of leaves.

Lastly, **Parent/Teacher Conferences** will be on **Thursday, October 21st and Friday, October 22nd**. There will be no school on these days. More information to come.

IMPORTANT CLASSROOM DATES AND REMINDERS

October 29th - Halloween Parade

The children should come to school in their costumes (No Weapons, No Masks, No Face Paint). We will have a small parade around the parking lot for families to watch at safe distance. If someone is willing to bring in a prepackaged Halloween themed snack please let me know!

*Please make sure that your child's costume is easy enough for them to use the bathroom and to change out of all by themselves. Remember to pack extra clothes!

Class Birthday's

June's 5th birthday on the 3rd

Jasper's 5th birthday on the 30th

IMPORTANT ALL SCHOOL DATES AND REMINDERS
