In Our Classroom

Hello! It is so wonderful that September is finally here. On behalf of everyone who had a fun summer here at Montessori Academy I would like to welcome back last year's room 5 friends. We would also like to welcome those new friends who joined us over the summer and those who are just beginning. This month we will begin our lessons on Grace and Courtesy. Lessons will include walking in the classroom, how to get a teacher's attention, carrying a tray, bathroom etiquette, how to wash hands, packing away materials, sitting safely in a chair, table manners and the general routines of our classroom.

This is the longest and most important newsletter of the whole

year. Thank you for reading it thoroughly. Here are a few important reminders.

* Children need to be here between **8:45** and **9:00**. (unless you are doing morning care) Lunch is at 12:15. Pick up time is 12:45 for half day students and between 2:45 and 3:00 (for those who don't stay for after school) Please remember to wait outside the classroom door for your child. We will do our best to have them ready each day for pickup!

* For those who stay for rest time please bring a small blanket, crib sheet and small pillow. Please make sure it can fit in the green bag provided.

* Update or bring in a spare set of clothes this week (pants or shorts,

shirt, underwear and socks). Please put initials on the tags.

* We are doing the mystery bag again. Your child should get it about once a month. Please help your child select **5** things that start with the letter they have picked. This is a great opportunity to get your child familiar with the beginning sounds of words. So have fun and be creative!

- Small toys, jewelry, and trinkets aren't appropriate for school. Please encourage your child to leave them in the car/home!
- Please provide an a.m. snack a lunch and a p.m. snack (if your child stays for after school). Please be mindful that lunch is only 1/2 hr. and we encourage healthy snack and lunch choices. If your child has something that needs to be warmed up we can do so in our kitchen microwave.

A Few Notes

This month we will be getting to know each other through games, activities and lessons. We are excited to have you all back and look forward to a wonderful year with you and your child. If you have any questions or concerns please feel free to email me! emily@boisemontessori.com
