

September Newsletter 2021 - Room 6

The greatest sign of success for a teacher... is to be able to say, 'The children are now working as if I did not exist.'

- Maria Montessori

Dear Families,

Welcome back to our returning students and welcome to our new families. My name is Ms. Judy and I will be your child's new teacher. I have 20 years teaching experience and I have been with Montessori Academy in Eagle for the last 10 years. I am excited for my move to our Meridian location and look forward to meeting all of you. I hope to earn your trust as I promise to take good care of your children while they are in my care. We will have lots of fun learning this year!

I hope that you had a wonderful summer. I have had the summer off and enjoyed some bike riding, boating, fishing, and spending time with family. I am ready to get back to work!

As we start the school year, we will practice and role model some basic practical life, and grace and courtesy lessons such as washing hands, push in a chair, how to get the teachers attention, sit at group, how to carry a tray, and much more.

This month we will briefly talk about the planets and will quickly zoom in on Earth. We will learn that the earth is made up of land, air and water and that there are 7 continents. The students will learn that living things are divided into two large groups; the plant kingdom and the animal kingdom.

We will also get right into our school wide PEACE curriculum by introducing R.O.S.E: Respect Others, Self and Environment.

I am looking forward to a really great year!

Ms. Judy
