MONTESSORI ACADEMY

Hello Families!

A big welcome to the parents and children joining me in Room 9! I am excited about our upcoming school year and I am looking forward to having you and your child as an important part of my class. I feel the most effective sources of early learning are hands-on, meaningful experiences that involve children's discovery and choice. And we can't wait to see that the year will bring. Welcome to a year of growth, discoveries, and of course fun in Ms. Holly's class!

We will also be welcoming a new pet to join our classroom this school year. Once we make a decision on what the class pet will be, parents we will be needing your help with some supplies for it in our room. I will post a list outside of the classroom on our blackboard for anyone to sign up who wants to help.

Please also keep an eye out for the Practical-life sign up sheet on our blackboard as I would love any donations to keep our Practical-life part of the classroom fun and exciting.

Looking forward to seeing you all soon!

Ms. Holly
