

# NOVEMBER NEWSLETTER ROOM 6

Dear Families,

Happy November Everyone!

We have community lunch coming up this month. Our yearly Stone Soup celebration. I will email out a sign up sheet for soup items about a week before our lunch. Please do not send your child with a lunch box on Friday Nov.19. Thank you.

This month we will be studying Asia! We will take a look at both our political and biome maps. We will study animals, important places, people, flags, and more. Our leaf study will continue this month. We will also start looking at many peace makers and discussing their qualities and attributes. We will continue learning about Claude Monet

Have a great month! Cheers,

Ms. Laura

## IMPORTANT CLASSROOM REMINDERS

**If your child needs to have rain/snow boots, please send them with their boots on instead of bringing them and wearing other shoes (they can wear their inside shoes in class). Having more than 2 pairs of shoes at school is too much to store. Thanks for your help with this.**

## IMPORTANT ALL SCHOOL DATES AND REMINDERS
