## NOVEMBER NEWSLETTER ROOM 9

Dear Families,

I can't believe it's already November! Our Wax Museum reports came out so well. I'm so proud of the hard work all the kids in room 9 put in. Thank you again for all the support the families gave as well.

As we come into November I would like to share how grateful I am to be a part of the Montessori Academy community. I am even more grateful for all of the wonderful kids and families I get to work with. I would like to remind you that our school has decided to create a Thankful Tree this month and it would be great if you all would join in. The amazing ladies in the front office will have leaves that can be filled out by students and families with the things you are grateful for. We would love to hear from you.

Toward the middle of the month we will be acting out the story "Stone Soup." We will also be making "Stone Soup" on November 19th. Look for a sign-up sheet for ingredients around the 8th.
