

DECEMBER NEWSLETTER ROOM 3

Dear Families,

As we continue through the holiday season we will learn how different cultures around the world celebrate. This year each classroom in the school will decorate their door to represent a different continent. Our continent is Australia. We hope you can take a few minutes one morning or afternoon to walk around and enjoy everyone's work.

We will also continue to talk about the importance of giving and being thankful. As we all know it can be stressful this time of year. Please remember your children can feel your stress so take the time to slow down and enjoy these moments with your child.

We will finish up our geography studies of North America and the United States. We will start our animal classification unit by focusing on mammals.

Unfortunately, this year our typical holiday celebration will look different. The children will learn a few holiday songs and they will perform them for you over zoom on Friday the 17th. Keep your eyes out for a time and link.

I hope you all have a wonderful holiday season! ~ Ms. Erin
