

# November Newsletter - Room 6

Dear Families,

Thank you for your time last week. I appreciate our conversations, learning even more about your children and how we can continue to help them grow. I would also like to thank Ms. Amanda, she is absolutely wonderful with your children. She has great patience and understanding for each of them. Thank you Amanda!

We would like to welcome Presley to room 6. She moved up from room 3 (pre-mon) and we are excited to have her join our class.

Our geography study will focus on the United States and the cities where we live. For our science unit we will study the many types of leaves and why they change colors this time of year. The students will learn the parts of a leaf. We will also have fun activities using leaves this month.

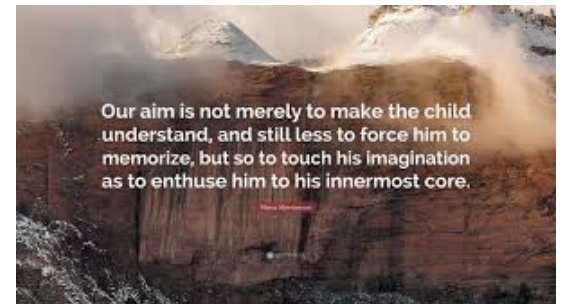

For our peace curriculum, we will continue to make our ROSE poster and discuss how to be respectful to ourselves, others, and our environment.

This month we will also talk about the Thanksgiving holiday and why we celebrate it. We will focus on the history of the celebration of the harvests each year and sharing it with others. We will talk about being thankful for what we have and how grateful we can feel to be able to give to others. We will have a special "Stone Soup" luncheon together.

I am thankful for my job and all my students. Thank you for trusting in me with your children. I am grateful and blessed to get to do what I love to do everyday.

I hope all of you find some time this month to relax and spend time with your family and friends. Have a wonderful Thanksgiving Day, Cheers!

~ Ms. Judy

## IMPORTANT CLASSROOM DATES AND REMINDERS
