# November 2021

**MONTESORI ACADEMY**

Hello Room Two Families,

Welcome to November!! Just a reminder that with weather cooling down we ask you to bring appropriate weather attire for your littles as we may or may not be taking a visit outside or even for a walk to explore nature!

Also drop off notes again are super helpful for your little ones teachers so if we can make sure to at least jot down when there last feedings were that would be super helpful, as well as pick up times so that we are able to gather all their belongings and ready for you.

For those who have not gotten around to bringing in a family picture if you can possibly make some time to get us those we would love to have you all apart of our classroom.

This month of November we will be working on our basic colors, doing tons of sensory type activities, fall art and lots of singing and reading. Color of the month will be Yellow:)

Last but not least we would like to welcome Dutcher and Everett to our classroom this month!! We are excited to have them!!:)

Miss Angelica
