

## FEBRUARY NEWSLETTER ROOM 3

Dear Families,

February is here! Hopefully there will be news that spring will arrive early. Keep your fingers crossed ☺

This month our continent focus will be on Antarctica. We will look at Antarctica's biome map and discuss how the size of Antarctica changes during the seasons. We will also learn about the different types of animals that inhabit this icy continent.

The winter weather is still here! The children need to be dressed properly to enjoy their cold and maybe snowy recess times. We ask that the children have a coat, hat, gloves, and snow boots. Snow pants are only needed when there is snow on the ground. Please label everything!

### IMPORTANT CLASSROOM DATES AND REMINDERS
