

Room # 3

December 2021

Ms. Nikki and Ms. Jazzy

MONTESSORI ACADEMY

Hello Families!

I hope that you've all had a wonderful Thanksgiving holiday and have gotten to enjoy some time with family. We have had an exciting month here in room 3 learning all about dinosaurs, nocturnal animals, the holiday of Thanksgiving, and even getting to learn some about Native American culture. We focused on the letters Hh, Ii, and Jj and the kids have been doing amazing at remembering letter sounds and shapes.

For the month of December we will be focusing on the holidays during as well as the season of Winter and the changes that come with it. The month will be full of crafts and books to help them learn about all the changes that happen at the start of winter and to learn about traditions surrounding Christmas and New Year's.

For updates on your child's daily life at school please check the tadpoles app where Ms. Jazzy and I will be posting about the daily activities in our room. It's only getting colder outside so please make sure your child has a warm coat and hat to make sure they stay warm while we are outside. Please remember that this classroom is egg free. If you have any questions or concerns or things you would like included in lessons please reach out to me through my email nikkala@montessoriacademyidaho.com.

We will be having winter camp for the weeks of Christmas and New Year's with the 22nd through the 24th off of school as well as the 31st.

Warm regards,

Ms. Nikki
