December 2021

Ms. Amra & Ms. Lyla

MONTESSORI ACADEMY

Hello Families!

Happy holidays! December brings us many different holidays to celebrate and discuss in our classroom. Please let me know if there is a specific holiday that your family celebrates during this month so that we can highlight it in class and celebrate your traditions. We will continue to build independence by packing away our own things such as jackets, shoes, and lunchboxes. Parents, if you can have your child help carry in one of their items such as their water bottle or lunchbox that will help reinforce what we are practicing here.

This month our class will be talking about dinosaurs, reindeer, winter and the type of weather it brings and different holiday traditions. Our class is also going to be highlighting the artist Katsushika Hokusai and his woodblock print, The Wave. Our class will work together to recreate his art to display in our classroom.

Sound share will be on every Wednesday morning for the month. Remember to send an item with your child that begins with the letter sound of the week, get creative and have them help pick their item! The letter sounds include Gg, Ii and Kk.

Warm Regards,

Ms. Amra
