

Room 9

December 2021

Mrs. Holly and Ms. Wendy

MONTESORI ACADEMY

Hello Families!

Tis' the season! Happy holidays! We are very excited to celebrate the holidays in room 9. This month we are going to be talking about the many holidays celebrated around the world this time of year. I will be posting a sign up sheet on the bulletin board outside our class. Please feel free to write down which holiday your family celebrates this time of year so we can incorporate everyone's traditions in the classroom! We will be enjoying a lot of new works in our classroom's practical life area including sifting cranberries, catching snowflakes with a ladle, decorating a tree, jingle bell drop and more!

We are going to be talking about R.O.S.E (respecting others, self, and environment) and what that means to us in our classroom. We will also discover a new artist this month, Monet. And try to recreate his famous painting of the "Water Lilies."

Last month we enjoyed nocturnal animals and animals that hibernate during the winter. Since the seasons are changing and winter is here, we are going to be discussing arctic animals and some of the places on earth they live where its way too cold for us!

Keep an eye out for your child's art either in their cubbies or displayed in the classroom. We are excited to take more pictures of the children and display those as well in the classroom so the children can see themselves and the process of all their hard work. We hope everyone has a wonderful time celebrating the holidays this year!

Important Dates for your Calendars:

December 20th-31st: No School—Camp Available

School closed: Dec 22, 23, 24, 31
