January 2022

Bethany

MONTESORI ACADEMY

Hello Room One Families,

Welcome to the New Year Families!! We are super excited that we made it through 2021 ! This month we will be doing a lot of snow like winter activities!! Super fun!

We will also like to take the littles outside at least once this month for some fun. We would like to take them on a little cruise on a sled around the playground. So on January 21st we would like to ask parents to bring your little ones snow gear so that they will be warm enough for this fun ride!! We will not be out to long just a few times each around the yard.

This month we would also like to welcome Hazel to our classroom! We are so excited to have another girl join our classroom!

We will be putting a sign up sheet outside the classroom as well if any of you would like to help donate any supplies to help us get our class pet, we would greatly appreciate it!

Ms. Bethany

Few important dates:

January 17– CLOSED! (Martin Luther King)
